Is there a cost to obtain a copy of my medical record?

Yes, there is a charge to obtain a copy of your medical record. Pursuant to HIPAA 45 CFR, 164.254, we reserve the right to charge a reasonable cost-based fee for producing and mailing the copies. Reliant Medical Group will cap the fee at \$25.00 (plus postage) for a two year abstract of your medical record. The abstract is often sufficient to meet the need of many requests. If you want the entire record or more than a two year abstract, the rate may increase proportionately based on the cost. At no time will the cost-based fees exceed Massachusetts law (MGL Chapter 111; Section 70).

How can I submit my payment?

You will receive an invoice from our copy service (Sharecare Health Data Services) shortly after we receive your request; payment must be received prior to the release of records.

How soon can I expect the release of my medical record to be completed?

Processing time varies depending on the type of request. Routine requests are usually prepared within seven (7) business days and mailed upon receipt of payment. Please feel free to call our Release of Information Department at the number above to discuss your individual medical record request needs.
